The initial organization of Uzbekistan's youth community

The initial organization of Uzbekistan's youth community in Tashkent University of Information Technologies named after Muhammad al-Khwarizmi has united students of the university and it functions with the purposes of;

- further deepening the democratic, political, and economic reforms in the country,
- strengthening peace and harmony in the society;
- attracting the youth to the process of Uzbekistan's attempt to be in the ranks of the world's developed countries;
- providing the protection of rights, freedoms and legal interests of the youth;
- raising the spiritual and professional level of young boys and girls;
- helping them realize their intellectual and creative potential;
