### **HISTORY OF THE DEPARTMENT**

Department of "Economics" was founded in 1971, as a result of the division of the Department of "Political Economy" into two independent departments. It was initially named "Economics, Planning and Management of Communication Enterprises". From 1971 to 1974 the Head of the Department was Dr. Mansirev.

From 1974 to 1986, the Head of the Department was associate professor Dr. Butkeyev. From 1986 to 1991, associate professor Dr. Yakovlev worked as the Head of the Department.

During the years of 1991 through 2011, the Head of the Department was associate professor Dr. Butkeyeva, who was one of the renowned experts of her profession.

In accordance with the establishment of the new Faculty of Engineering and Economics by the Order of the Ministry of Communications of the Republic of Uzbekistan No. 175 of May 20<sup>th</sup> 1996, the new department of "Economics of Communications Enterprises" was founded and separated from the existing department.

On December 13<sup>th</sup> 2002, the department of "Economics of Communications Enterprises" was renamed to the Department of "Economics" by the order of the Rector of the University.

The Head of the Department of "Economics" was Dr. Sindarev from 2012 to 2013.

As a result of the further improvements of the personnel training system in the field of information and communication technologies and in accordance with the Decree of the President of the Republic of Uzbekistan from March 26<sup>th</sup>, 2013 PQ-1942, a new course "Economics and management in the field of ICT" was established and the admission of students to this course began from the 2013-2014 academic year. Since 2013 the department has been called "Economics in the field of ICT".

In the years of 2013 through 2016, the Head of the department was Dr. Achilova. From September 4<sup>th</sup>, 2016 to October 10<sup>th</sup>, 2016, the department was headed by Dr. Kobulov.

Since October 12<sup>th</sup>, 2016, this department has been headed by associate professor Dr. Iminova.

The teachers of the department have been participating in seminars and in international, republican scientific-technical and scientific-methodological conferences, which are devoted to problems related to the scientific topics of the department. In addition, the teachers of the department regularly publish scientific articles in republican and foreign journals.
