Spiritual and educational work of the department

Professors and teachers of the department are carrying out planned and unplanned promotion and campaigning in places, including organizations, enterprises and localities, in order to explain the essence of the President's decisions, speeches and works.

The professor of the department G.J.Tulenova's business trip to South Korea's Kookmin University on December 3-10, 2023 informed the members of the department about the work done during the business trip. In particular, the signing of the agreement on cooperation between TATU and Kukmin University, the educational system of this university, the areas where faculties and specialists are trained, the material and technical base of the university, the library, educational buildings, laboratories and the teaching in them. He told in detail about the practice of holding sports fields in an innovative way. Then he gave information about the topics of the lectures heard during the business trip and the issues raised in them.

on January 3, 2024, in the activists' hall of the university, by the heads of the department, the Republic of Uzbekistan "On Combating Corruption" In connection with the adoption of the Law No. O'RQ-419, a scientific-theoretical seminar was held with the participation of professors and teachers of the Department of Humanities on the topic "Corruption is a social stability problem that destroys the state system" with the participation of university employees and professors. All POs of the department took part in it. Professors-teachers of the department G. Tulenova and B. Boboyorov gave lectures and were highly evaluated by the university management.

Under the leadership of professors and teachers of the Department of Humanities, a scientific-theoretical seminar was organized for the leading staff of the university and all teaching staff on the topic "Jadidlar: history, life and ideas of the struggle for national independence". Professor of the Department of Humanities N.R.Mahkamova gave information about the emergence, history and essence of the Jadidchilik movement. At the beginning of the event, a video about Turkestan Autonomy was shown.

The address of the department: B-block, 4th floor, room 414
