INTERNATIONAL CONFERENCE ON INFORMATION SCIENCE AND COMMUNICATIONS TECHNOLOGIES ICISCT 2019 APPLICATIONS, TRENDS AND OPPORTUNITIES

Tashkent University of Information Technologies named after Muhammad al-Khwarizmi TUIT

2019 IEEE and IFIP International Conference in Central Asia on Information Science and Communications Technologies, ICISCT 2019 (**www.icisct2019.org**), which will be held 4-6 November, 2019 on the premises of Tashkent University of Information Technologies, Tashkent, Uzbekistan.

The Conference will provide an environment for interdisciplinary discussions through following but not limited topics:

- ISCT in Disaster Recovery and Management in Rural Areas
- ISCT in Health Service Development and Management
- ISCT in Cloud Computing
- ISCT in Cyber Security
- ISCT in Business, Finance and Economy
- ISCT in Governance and Government Policy
- ISCT in Education, Humanities, Social Sciences
- ISCT in Medicine and Health Care
- ISCT in Big Data Management and Application
- Mobile Communications and Mobility
- Mobile Planet
- Internet-of-Things IOT
- Smart Grid Communications
- Impact of 4G and 5G on Rural Communications
- Green Communications
- Game Theory and its Application
- Wireless Communications and Networking
- Cognitive Green Radio Communications
- Optical Communications and Networking
- Information and Communications Technologies
- Simulation, Modeling and Analysis and Performance Evaluations
- Network Management and Services
- Health Care and Home Networking
- E- and M- Commerce
- Satellite Communications Systems
- Internet and IP Telephony and IPV6
- Nano-photonics and Bio-photonics
- Quality of Service and Traffic Management and Characterization
- Intelligent Transportation Systems
- Internet Applications
- Application of Information and Communications Technologies
- Design of Smart Cities and Social Networking

We are soliciting original papers describing the state-of-the-art research, development and experimentation in the areas of information science and communications technologies. Paper submission instructions are given: www.ICISCT2019.org

Papers should be written in English and should preferably follow the instructions in Templates http://www.ieee.org/conferences_events/conferences/publishing/templates.html

Elsevier publishing house will be receiving all the titles of the accepted papers from ICISCT2019 conference for inclusion in its databases. The identification numbers, the IEEE catalog number and ISBN and ISSN will be assigned to ICISCT2019 accepted papers.
