

Applicants will carefully examine the plans and plans of the buildings and auditoriums announced by the admission commission on July 26 and applicants will know where the building, the auditorium's order number and floors are.

Entrant entitles will take the group number (compatible with the audience number) from the admission committee on July 27th.

Special intramural courses are tested according to the Regulations on Admissions in 3 languages: Uzbek, Karakalpak and Russian languages, in all regions of the Republic of Uzbekistan will be held simultaneously on July 10* and August 1

(*This sign concerns to military higher education institutions).

On the day of testing, the entrance to the building begins at 7.30 am. The applicant will personally indicate his / her passport and passport when entering the building. Starting at 8.00 am, entrants enter the classroom, which corresponds to their number.

Entrants are admitted to the building where the admission exams are holding, and the applicants are not allowed to take microcircuit, dictionary, chart, book, mobile phone, communication equipment with themselves. If applicant break the law, The commission will sign a member of the commission. Applicants will not be tested.

After the start of the test (after 8.30), the entrant will not be enrolled.

Additional test exams will not be made for applicants who are not in the test.

Applicants will submit test scores in the language and literature (Cyrillic, Latin), which they will study in the educational institution.

The applicants face the following requirements during the exam:

After receiving a question and answer sheet, the answer sheet is carefully checked for each item in the questionnaire. If the test questions in the Quiz Book contain any typographical errors or omissions or other similar errors, you will immediately notify the auditorium's head and provide you with a complete set of test questions and answers, (if the applicant fails to inform the auditor of the missing questions about 9.00 am, his application will not be accepted). Applicants write the surname, name and patronymic in the appropriate place of the question book. The entrant must read the "For entrants" and follow the rules of section.

In completing the answer sheet, the applicant uses only a blue (blue) ballpoint pen. It is forbidden to use the highlighter, gel pens.

The Applicant will write information about himself / herself and sign on the title page of the answer sheet.

The answer sheet's number will be written on the appropriate title.

Passport serial number and special code, education code and selection code are copied from the title sheet to the appropriate answer sheet and painted properly.

The applicant will copy from the blackboard the surname and name of the head of the auditorium and supervisor and write it to their title list.

Each subject answers define in its proper place. A foreign language test applicant must choose the appropriate language.

Only one answer is assigned to each test task. If two or more responses to one assignment are selected, this assignment will not be awarded.

Time duration is: 3 hours for 108 questions and 2 hours for 72 questions.

Selecting answers is optional. Applicant copies the selected responses in accordance with the corresponding block of responses. It takes about 20 minutes to complete the test.

The completed answer sheet is the main document determining the applicant's level of knowledge.

The applicant is responsible for completing the answer sheet.

If there is error in filling the paper : the last name, first name and patronymic, code of educational institution, special code, wrong circles, who did not write and sign the ID, passport number and- is not appealed. Entrants are not allowed to leave the audience until the test is completed. Applicants leaving the audience will not be tested again.

If the applicant use dictionary, chart, book, mobile phone and helps the applicants during the testing process the applicant's test it is considered to be a violation and an act is drawn up, which will be disqualified for the test.

The applicant who completes the test before the deadline issues a book, a copy of the answer sheet and the title sheet to the auditorium's supervisor, who writes his / her last name on the list of entrants and completes the test. If he or she helps or obstructs other entrants, he / she will also be required to issue a statement that the test will be canceled and the statement will be posted on the answer sheet.

Applicants may contact the auditorium's supervisor and their supervisor about the failure of the test in the auditorium.

If it is established that the applicant's book has been torn by the applicant, then the rules for passing the test will be considered to be infringed and will be discharged. An act is drawn up and it glues down answer sheet.

Those who have been discharged will not get a point.

Applicant can comment on the progress of the test process in the audience by drawing the appropriate area of the answer sheet.

After the deadline for the test (12.20, 11.20 **), the auditorium officially will announce the completion of the test. All test materials for the entrants: questions book, answer sheet and title sheet are collected by the audience leader and observer. At this time, all applicants sit in their place. For applicants who did not pass the test materials on time, an act shall be drawn up in the prescribed manner and affixed to the answer sheet.

The head of the auditorium and the observer place the test items in the box and two applicants sign in the box.

For the purpose of consideration of citizens' appeals on conducted tests, a commission for consideration of applications at the State Testing Center (hereinafter referred to as the Commission) is formed.

The commission will include experts from the State Testing Center and experts on the subject. The composition of the Commission is approved by the Director of the State Testing Center.

Applicants may apply in writing to the Commission within one month of the publication of test questions. His / her application should be considered within 10 days of its registration (the objections of the applicants for military education are considered simultaneously with the objections of the educational institutions)

The application will be analyzed near the applicant. During the pretrial investigation, one of the applicant's parents has the right to participate in the identification document. The applicant must arrive on the day appointed by the passport and the permit.

In the course of the application review, the applicant will be given a response sheet and a copy of the

questions asked in the test together with the list of unsatisfactory answers he / she has made in the test.

Based on the results of consideration of the appeal protocol is drawn up and signed by the members of the Commission and the applicant.

Information on the Commission's conclusion is submitted to the State Commission for admission to educational institutions of the Republic of Uzbekistan.

Applicants have the right to appeal to other government agencies for their rights.
