

Professor of the University of Idaho (USA) Bob Houghton conducts a training seminar for all deans and heads of departments of TUIT. The seminar will be held from November 1 to December 9, on Mondays and Thursdays at 14:00-15:00.

**Topic:**

1. The results of education (a description of the knowledge and skills that a student should master in completing a specific task, at the end of a course or program).
2. Development of evaluation criteria.
